Questions

1. Paul thought he was serving God — but God had a completely different plan. What's one area of your life you've been slow to surrender to God's purpose?
2. Paul was told to wait in the city before receiving the full plan. What is God asking you to trust Him with right now, even without seeing the full picture?
3. Acts 26:16-18 shows that Paul's purpose was to open eyes and bring people from darkness to light. How does knowing God's vision for your life is about *others* change the way you're living today?

Prayer

Father, thank You for having a purpose for our lives that is bigger than we can imagine — one that grows, tests us, and ultimately points others to You. Help us to trust You in the waiting and surrender every part of our lives, not just the comfortable parts. May we leave here ready to take the next step of obedience, knowing that Your vision for us is eternal and was never just about us — in Jesus' name, Amen.
